Interscope Repeats as 2008 Champ

IDJMG Edges Zomba For Second As Top 5 Remain The Same

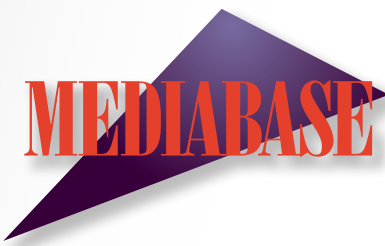

Interscope/Geffen/A&M repeat as the **Mediabase** overall airplay champion for the second year in-a-row. In 2008, they were led by the likes of **Timbaland**, **Puddle Of Mudd**, **Weezer**, **Lifehouse**, **Maroon 5**, and **Fergie**. Interscope/Geffen/A&M was the No. 1 label at Hot AC, Alternative, and Urban AC. The label also scored big across the board, placing 2nd at Top 40 and AC, 3rd at Rhythmic, and 5th at Urban and Active Rock. Interscope posted a 12.6% chart share last year and climbed to a 13.6% this year.

The top 5 labels remain the same as 2007, although in a slightly different order of finish, and all grabbed over a 10% chart share. **Island Def Jam** moved from 4th to 2nd this year (at 11.1%), with three specific formats really driving their success. They grabbed the #1 spot at Rhythmic, Urban, and were 4th at Top 40. Key artists for **IDJMG** include **Rihanna**, **Ne-Yo**, **Kanye West**, and **Ludacris**.

Zomba had a tremendous 2008, coming in a very close 3rd this year (also at 11.1%). Zomba scores a big win this year at Top 40, reigning supreme with a 15.4% chart share. They also placed 2nd at Urban AC, 3rd at Urban, and 4th at Rhythmic, AC, and Hot AC. Major acts on Zomba include **Usher**, **Britney Spears**, **Chris Brown**, **Jordin Sparks**, **Three Days Grace**, and **Pink**.

Atlantic lands the 4th spot this year with a 10.7% share. For 2008, Atlantic and **Roadrunner** were separated. The **Mediabase** chart share is specifically tied to promotion staff. It should be noted that many of the titles signed to Roadrunner may have been promoted at one time by Atlantic. 2008 was once again a great year for Atlantic, riding success from **T.I.**, **Shinedown**, **Staind**, **Flo Rida** (who scored the #1 song at Top 40 this year), and **Plies**. Atlantic ranked 2nd at Rhythmic and Urban, 3rd at Top 40 and Triple A, 4th at Urban AC, and 5th at Rock.

For 2008, Mediabase is also introducing a second label performance chart - which reflects Label Group as well. Overall Label Share is reflective of radio promotion staffs. Label Group incorporates multiple promotion staffs that are under one corporate umbrella. **Atlantic Records Group** - which encompasses Atlantic, Roadrunner, and Special Ops - comes in as the No. 1 label group.

Finishing 5th for a second straight year is the **RCA Music Group**. **RMG** was 1st at AC, 2nd at Hot AC, 3rd at Alternative and Urban AC, and 5th at Top 40. RMG had a plethora of hit artists this year including **Daughtry**, **Foo Fighters**, **Alicia Keys**, and newcomers **Jazmine Sullivan**, **Leona Lewis**, and “**American Idol**” champion **David Cook**. The label also finished up with a huge hit by **Kings Of Leon** at Alternative. RMG soared from a 8.9% in 2007 to a 10.1% share in 2008.

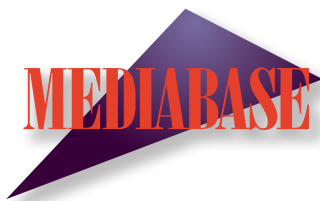

Slotting in the sixth slot is **Epic**, climbing from a 5.2% chart share (8th) in 2007 to a 5.5% in 2008. Epic started out the year strong with acts like **Sean Kingston** and **Sara Bareilles**, and also saw hits from **Ray J** and **Natasha Bedingfield** cross multiple formats.

Just a tenth of a point behind Epic is **Universal Republic** in 7th place, up from 10th a year ago (moving up from 3.4% to 5.4%), which marked a 59% improvement. This is the largest growth year-to-year of any label. Major acts for Universal Republic in 2008 include **Hinder**, **3 Doors Down**, **Colbie Caillat**, and a deal with **Big Machine** that brought them multi-format superstar **Taylor Swift**.

In 8th place is **Capitol** with a 4.8% share. 2008 marked the first year Capitol and **Virgin** were merged and their chart share remained very steady. Capitol had artists that crossed format boundaries like **Coldplay**, and developed new acts like **Katy Perry** and **Saving Abel**.

Universal Motown finished 9th, posting a strong second half showing in 2008. The label soared all the way to No. 5 by year's end at Rhythmic and No. 4 at Urban. Driving Universal Motown were multiple hits by **Lil Wayne** — arguably one of the biggest runs we've ever seen by any artist. Also in the mix were **Akon** and **David Banner**.

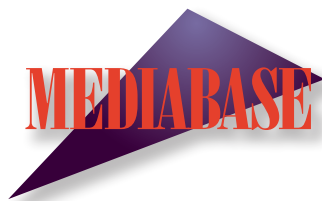

Rounding out the top 10 is **Columbia**. Columbia finished the last two months in a very good position and is poised for a strong start to 2009. **Beyonce**, **AC/DC** and the **Offspring** were key acts, while **Adele** came through toward the end of 2008.
